

Support your workers with
simple, safe and automated
payroll transfers.

LABORA

BCBC Virtual Field Day
December 9th, 2020

What is LABORA?

Support your workers with simple, safe and automated payroll transfers.

LABORA provides a simple and digital payroll service to farmers enabling their seasonal agricultural workers to transfer remittances back home. *A better solution for workers and farmers.*

The payment process for the longstanding Seasonal Agricultural Worker Program in Canada has remained unchanged in the past 50 years and is ready for innovation. LABORA's electronic transfer payroll system modernizes the existing inefficient system and eliminates the bottlenecks involving transfer of funds.

Our Mission

LABORA's mission is to enhance the Canadian agriculture ecosystem by helping farm owners securely and easily pay their agricultural workers and benefit from the streamlined money transfer process from Canada back home. Further simplifying the administrative process, LABORA assists workers by filling their tax returns and provides online services to farm owners and workers to keep their information secured and up to date at no cost.

Our Process

Farm Owners

- **Save time and money** by doing payroll transfers with just one click and at no cost.
- **Reduce administrative work** by accessing workers' information in one place.
- **Increase productivity** through a variety of online reporting solutions.

Workers

- **Safe and convenient!** No need to travel to a physical bank.
- **Online access** to T4, tax returns, remittances, CPP contributions, and Record of Employment
- **Streamline tax return submissions**

Simple, secure, and efficient International Transfer Process
